Dear Shareholder

NOTICE OF CHANGE IN LOGISTICAL ARRANGEMENTS FOR KAAP AGRI'S 2021 ANNUAL GENERAL MEETING

1. INTRODUCTION

Notice of Kaap Agri Limited's ("Kaap Agri" or "the Company") annual general meeting ("AGM") for the year ended 30 September 2020 ("Notice") was duly issued on 14 December 2020 and invited shareholders to attend the AGM, which would be held in person at Lemoenkloof Guest House, 3 Malan Street, Paarl at 12:30 p.m. on Thursday, 11 February 2021.

Kaap Agri's board of directors have decided that, in light of the substantial recent increase in COVID-19 infections, nationally and in the Western Cape, including a new more contagious strain of the disease, and the restrictions on gatherings of people in terms of the Disaster Management Act, No. 57 of 2002, as amended, the AGM will no longer be held in person, but will instead be held electronically as a virtual-only meeting in the manner set out below. The Company believes that this is the prudent, responsible, and legally compliant route to adopt to protect the health of shareholders and other AGM participants.

Accordingly, the AGM scheduled for Thursday, 11 February 2021 at 12:30 p.m. will now be conducted entirely by way of electronic communication, as permitted under the JSE Limited Listings Requirements, the Companies Act, No. 71 of 2008, as amended, and the Company's memorandum of incorporation.

Kaap Agri has, for the convenience of shareholders, made available on its website, at www.kaapagri.co.za, an updated version of the Notice and accompanying form of proxy, setting out how shareholders and guests will be able to attend, participate and/or vote electronically at the AGM. No changes have been made to the date or time of the AGM, to its agenda or to the ordinary and special resolutions to be considered and voted on at the AGM, all of which remain unchanged.

Likewise, the form of proxy annexed to the Notice remains unchanged, save only for the reference therein to the physical meeting being replaced with a statement that the AGM will be held electronically and consequent amendments to the notes to the form of proxy. Both the form of proxy annexed to the original Notice distributed on 14 December 2020 and the form of proxy annexed to the updated Notice available at the above website link, will be valid for the AGM. The record date and last date to trade in order to be eligible to vote at the AGM also remain unchanged.

2. HOW TO PARTICIPATE AND VOTE

The required steps to participate and vote at the AGM have been summarised below. Kindly refer to the updated Notice, available at www.kaapagri.co.za, for further details in this regard.

Certificated shareholders and dematerialised shareholders with "own name" registration

Such shareholders may still register online to participate in and/or vote electronically at the AGM after this date and time, provided, however, that for those shareholders to participate and/or vote electronically at the AGM, they must be verified and registered before the commencement of the AGM.

Proof of identification will be required before such shareholders are provided with usernames and passwords.

Dematerialised shareholders other than those with "own name" registration

Dematerialised shareholders other than those with "own name" registration who wish to participate and vote at the AGM, should request the necessary letter of representation from their broker/Central Securities Depository Participant ("CSDP"). Proof of identification will be required before such shareholders are provided with usernames and passwords.
