Reg vir die Skooljaar

Danksy Kaap Agri se donasie van skoolbehoeftes is die leerders van Weltevreden NGK Primêre Skool in Riebeek-Wes gereed om hul nuwe skooljaar aan te pak.

Leerders van graad R tot graad 5 het elkeen 'n rugsak toegerus met die basiese skryfbehoeftes, skoolklere, handreiniger en 'n masker ontvang.

Om die oorhandiging ekstra spesiaal te maak, het Agrimark Riebeek-Wes die leerders ook met 'n boereworsrol en koeldrank bederf.

"Weltevreden Primêr het 'n groot geleentheid van hierdie oorhandiging gemaak. Die opregte waardering vir alles wat hulle ontvang het, was duidelik sigbaar," het Barend Sulvester, Kaap Agri se transformasiebestuurder, gesê.

Welgemeend Primêr Opgewonde oor Geskenkpakkies

Leerders van Welgemeend Laerskool in Malmesbury was aangenaam verras toe die personeel van Agrimark Meganisasie geskenkpakkies aan hulle uitgedeel het.

Jonathan Syster, Bestuurder: Malmesbury/Moorreesburg Meganisasie, sê die leerders se reaksie was 'n emosionele ervaring. "Welgemeend Primêr is 'n landelike en agtergeblewe skool. Die kindertjies was baie opgewonde en was so nuuskierig oor wat in die pakkie was. Dit was regtig vir my 'n riem onder die hart toe hulle ons aanmekaar bedank het."

Agrimark Durbanville United In Pink

Good news never goes out of date!

During October last year – which is also Breast Cancer Awareness month – Agrimark Durbanville staff members showed their support for breast cancer survivors in their community. The staff raised a total of R900 and donated two grocery gift cards (of R450 each) to the Morningstar Action Group, a not-for-profit organisation in the community.

Agrimark, Expressmark, Financial Services and the fuel depot in Worcester joined hands to make this special donation possible.

"This is the second year that our staff members participated in this initiative. Each employee who chose to participate, received a card indicating the gender and age of a particular child and throughout the year they collected age-appropriate gifts and filled a shoe box for them," said André le Roux, Senior Manager at Agrimark Worcester.

"Thank you to everyone who contributed and made this donation possible," he added.

Agrimark Tulbagh Show they CARE

Boys and girls from the Steinthal Children's Home in Tulbagh enjoyed a memorable festive season after receiving gift boxes filled with sweet, treats and toys.

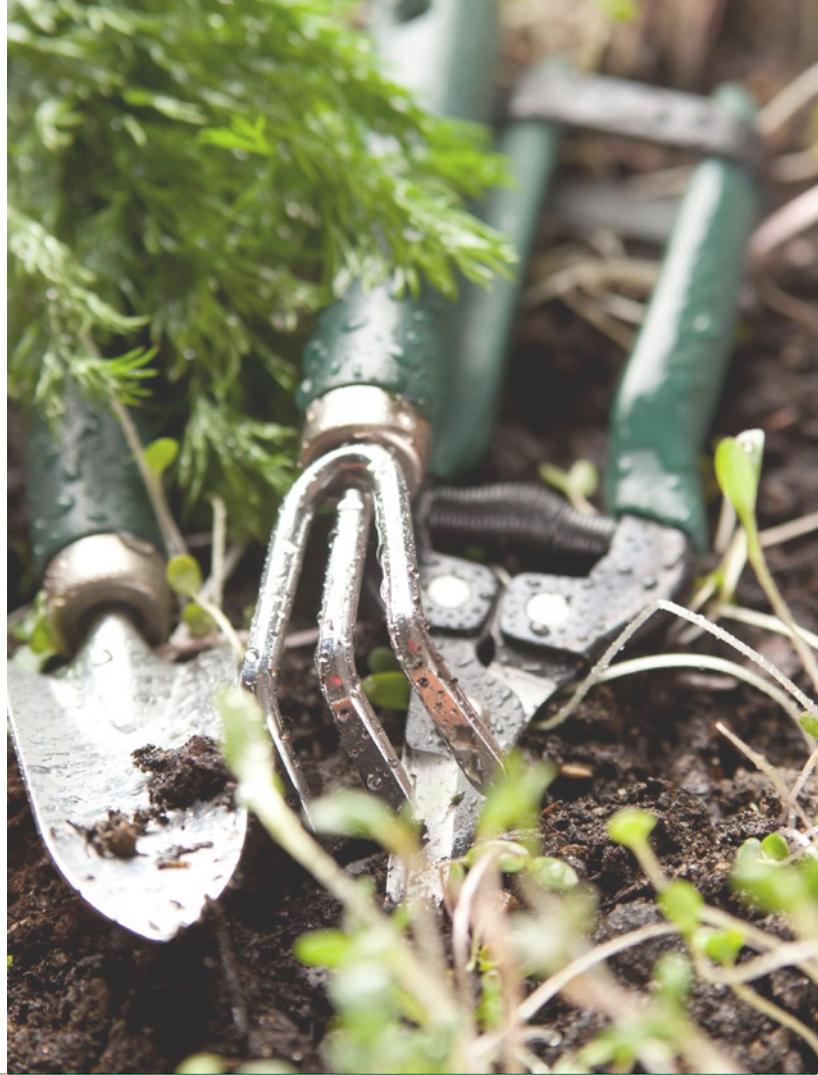

KAAP AGRI CARE & GROW

Planting Seeds of CARE

Our Agrimark stores are always ready to lend a hand. When Net vir Pret, a youth development NPO, came knocking on Agrimark Barrydale's door for help with a gardening project, the team did not hesitate.

The branch donated gardening tools to the value of R5,000 to help the community initiative. Net vir Pret (which means "just for fun") sent a warm-hearted newsletter to provide feedback about the project: "The tools we received are a great benefit to us and make a big difference. Since we are now able to grow our own fruit and vegetables, we don't have to spend money on buying it at a shop."

Fresh Coat of Paint for the New Year

Agrimark Stellenbosch donated 160 litres of paint to Vineyard Foster Houses in Kayamandi, Stellenbosch.

Vineyard Houses is an initiative providing "supported and supervised community-based foster care for children in need, through a network of small family homes." The much-needed paint was used to restore and paint the foster home in Kayamandi. Seen here is Develen America from Agrimark Stellenbosch handing over the paint to a representative of Vineyard Houses.

We Want to Hear from You!

Has your branch or department been involved in any community based corporate social investments (CSI) projects lately? We'd love to hear all about it. Please send us your good news stories and images to sonia.capes@kaapagri.co.za

Please observe COVID-protocols when taking images and submitting for the newsletter. Tip: instead of taking images of large groups of people standing close to each other without masks, take an image of just a few key people. Fewer people in a picture make for stronger images, anyway.

Ons Hoor Graag van Jou!

Was jou tak of departement onlangs by 'n gemeenskapsprojek betrokke? Ons wil graag daarvan weet. Stuur asseblief jou inspirerende stories en foto's na sonia.capes@kaapagri.co.za

Neem asseblief COVID-protokolle in ag wanneer foto's vir die nuusbrief geneem word. In plaas van foto's van groot groepe mense wat naby mekaar staan en geen maskers dra, neem eerder foto's met slegs 'n paar sleutelpersone. Minder mense in 'n prentjie sorg in elk geval vir sterkter foto's.
