

Nurture your farming future and watch it grow with our fully sponsored farmer development programmes

APPLICATIONS NOW OPEN FOR 2023

The Kaap Agri Academy empowers new generation farmers with high quality training programmes, equipping them with skills, information and experience to become successful commercial farmers.

- **NQF 2 Learnership Programme in Mixed Farming Systems**
- **NQF 3 Learnership Programme in Animal Production**
- **NQF 3 Learnership Programme in Plant Production**

COURSE SCHEDULE

Induction	March	5 days
Contact session	June	3 days
Contact session	Sept	3 days
Contact session	Oct	3 days
Practical session	Oct	5 days

The training format will follow a blended learning method – a combination of online learning, videobased facilitation, an induction contact session, three Portfolio of Evidence contact sessions and a practical experiential learning contact session. As per the information in the table, successful candidates will be required to spend up to 5 days at a time in Porterville, 5 times during the course of the programme.

COURSE DATES: March 2023 – October 2023

CLASSES: English and Afrikaans

QUALIFYING CRITERIA

- Applicants must be South African citizens, residing in the Western Cape or Northern Cape
- Applicants must have access to their own computer, with an uninterrupted data connection
- Applicants must be involved in a farming operation, past graduates of the Academy or Grade 12 graduates interested in a career in agriculture
- Applicants must be available to attend all practical contact sessions, as well as online classes

IMPORTANT TO NOTE

The Kaap Agri Academy will subsidise all transport to and from the Porterville training centre, as well as food and accommodation related costs in Porterville. **All course fees are free of charge for qualifying students.**
