

HARVESTING HOPE

Donate your surplus produce to help feed those in need.
Your excess or less-than-perfect fruits and vegetables
can make a big difference.

A joint initiative between

OneFarm
Share

**Numbers shown in this flyer are from 2023 donations.*

DONATE YOUR EXCESS OR SUB-SPEC PRODUCE TO OVERCOME HUNGER

400 + TONNES OF PRODUCE CONTRIBUTED

1.7 MILLION + MEALS CREATED

300K + BENEFICIARIES SERVED IN 2023

How You Can Support the Initiative:

Donate excess, sub-spec, or damaged produce, fit for human consumption.

Provide logistical support for the drop-off of donations to Agrimark stores.

Refer other local farms and pack houses and encourage them to donate to the initiative.

How the Harvesting Hope Donations Work:

- 1 Farms or pack houses that have excess, sub-spec, or damaged produce, fit for human consumption, contact OneFarm Share or their local Agrimark branch manager.
- 2 OneFarm Share can provide farmers with access to Agrimark bulk bins for their donations.
- 3 Farmers arrange for the donation to be dropped off at their nearest Agrimark store or OneFarm Share arranges for the produce can be collected on-farm.
- 4 OneFarm Share arranges for the collection of the donation from the Agrimark store and the final distribution to beneficiaries.
- 5 OneFarm Share issues farmers a Section 18a tax reduction certificate for the total fair market-related price of their donation.
